

RISK ASSESSMENT FORM

This risk assessment identifies minimum controls measures.
Please complete the blank areas, add any additional control measures for your setting and risk rate this to make specific.

Version: 10.1

Assessors name: Louise Coates	Date of Assessment: 09/11/ 2020	Activity/Task COVID-19 pandemic cases rising exponentially in the UK. Tier system in place - see PE/IT Technician RA references
Directorate: Education	Service: Schools Group:	Head of School: F Bates

Hazards	Who may be harmed & How	Existing Controls	Risk Rating	Further Controls	Residual Risk	Actions by whom & when	Implemented Y/N
Failure to advise new starters of the updated policy and guidance relating to COVID-19	Pupils/Staff/Visitors Poor communication of documents, guidance and instructions, people not adhering to the guidance provided resulting in contagion	All staff including new starters have read understood and marked as read key guidance from DfE, school/trust policies and risk assessments on Every including Prevention and Infection Control training, Use of PPE, pupil well-being training, Donning and doffing training through OneSource and provide a certificate to School Office Manager. All staff are aware of all relevant policies and procedures including, but not limited to, the following: <ul style="list-style-type: none"> • Health and Safety Policy • First Aid Policy • Pandemic Policy • All policies with addendums linked to Covid19, • recovery curriculum resources, • changes to timetables and breaks. Staff adhere to the changes and model the expectations for all pupils. All staff ensure they follow Trust/School policy and have regard to all relevant	Likelihood:3 Consequence:4 Risk Level: 12	All staff read all updates to the risk assessment and policy in light of further restrictions being imposed. Where staff are unsure or require further reminders they speak to a member of the Senior Leadership Team All staff, including new starters, ensure they have read, understood and marked as read, key guidance from DfE, school/trust policies and risk assessments on Every, including Prevention & infection control training, Use of PPE, pupil wellbeing training, Donning and Doffing training through oneSource and provide a certificate to the School Support Manager. All staff, including new starters, refer any queries about what they have read in policies and the	Likelihood: 2 Consequence:4 Risk Level: 8	All staff led by SLT	Yes

		<p>guidance and legislation including, but not limited to, the following:</p> <ul style="list-style-type: none"> • Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (RIDDOR) 2013 • The Health Protection (Notification) Regulations 2010 • Public Health England (PHE) (2017) 'Health protection in schools and other childcare facilities' • DfE and PHE (2020) 'COVID-19: guidance for educational settings' <p>The school keeps up-to-date with advice issued by, but not limited to, the following:</p> <ul style="list-style-type: none"> • DfE • NHS • Department of Health and Social Care • PHE • The school's local health protection team (HPT) <p>The School Support Manager conducts a review of all supplier arrangements to ensure they have adequate risk assessments in response to Covid19. Risk Assessments should be requested from all suppliers and kept in the Covid19 one drive file.</p> <p>New starters must refer any queries about what they have read in policies and the guidance to ensure that they have completely understood the expectations to a member of SLT</p> <p>Volunteers programs to be temporarily suspended for the autumn term 2020 to limit the number of people from outside visiting the school site.</p>		<p>guidance to a member of SLT to ensure they have completely understood the expectations.</p>

	They may contract Covid-19 – with associated range of health outcomes	<p>the school and community.</p> <p>Risk assessment in place and applied rigorously and amended as required regarding social distancing and all Covid19 protocols in school.</p> <p>EHT to ensure all Trust updates are provided swiftly to enable consistency of approach in the Trust.</p> <p>Two-metre distance markers are in place, PPE, face shields provided for staff, classrooms set up with desks facing the front, signage on the fences explaining about the social distancing expectations and the maintenance of distance from other adults.</p> <p>The carpark is closed to all traffic during the drop off times so children can access their designated entrance point to school.</p> <p>Parent or carer consultations/contacts will take place through telephone/email etc – i.e. no face-to-face meetings will occur Staff Meetings will be held via TEAMS, minutes taken and shared where appropriate</p>	<p>Consequence:5</p> <p>Risk Level: 20</p>	<p>appropriate PPE for their area of work and understand why the measures are in place.</p> <p>Head of School will review the bubble size, reducing where possible in line with current guidance.</p> <p>Staff will not have direct close contact - face to face – with any individual for any length of time within 1 metre, or unprotected physical contact (skin-to-skin).</p> <p>Staff will not have proximity contacts – extended close contact (within 1 to 2 metres for more than 15 minutes) with any individual. Staff will not travel to work in a small vehicle with any other person who is not in their bubble.</p> <p>Site Manager to ensure the markings are maintained SLT will be present on each key entrance/exit point, to guide parent/carers and pupils to the correct gate.</p> <p>The taxi will drop the children at the turning point on the driveway to the school, the children will be met and escorted into the school through the main entrance. All staff must have parked their car by 8:15am if they want to use the carpark as access will be closed to all vehicles after this time until 9:00am.</p>	<p>Consequence:5</p> <p>Risk Level: 15</p>	Manager & EHTP	
Public Transport	Staff They may contract	If staff are using public transport to get to school, they SHOULD bring in a set of	Likelihood: 1			All Staff	Yes

	Covid-19 – with associated range of health outcomes	clothes to change into once in school as well as thoroughly hand washing. (The disabled toilet in KS2 is to be used for staff to change their clothes, this will be cleaned following use) Face coverings must be worn for the journey, if they are disposable masks they should be disposed of in a lidded bin.	Consequence: 4 Risk Level: 4				
Staff /Pupil Competence in avoiding infection transmission	Anyone in building Positive cases of Covid19 in school	All staff have completed hand washing e-learning; Additional signage of the expectations for hand hygiene and additional hand sanitizer dispensers around the school. Expectations of when to wash hands (or use hand sanitizer) include: on entry to school, before and after using the toilet, before eating and after any break time. Limited sharing of resources, particularly in KS2 classrooms. Where they are shared, children will wash their hands (or use hand sanitizer) All staff to be informed that they MUST use their fob to sign in and out of the building and at all access points. Office staff will log any visitors to the school using the inventory console on their computer rather than the individual using the screen to log in. Anti-bac wipes to be placed by classroom doors so that the door handle can be wiped after use. Children will not be permitted to move around the school without adult supervision.	Likelihood: 3 Consequence:4 Risk Level: 12	All new staff complete hand washing e-learning All pupils receive a half-termly reminder of the briefing and watch handwashing e-learning. Head of School will monitor compliance of staff reading and signing the policies on EVERY	Likelihood: 2 Consequence:4 Risk Level: 8	SLT and all staff	Yes
Shortage of staff	Pupils & Staff Staff waiting for	Staff isolating following contact from NHS test and trace must remote teach in to their class for the full working day, the	Likelihood: 4	Head of School to plan a detailed response to scenarios of multiple bubbles closing due to Covid-19;	Likelihood: 3	Head of School	Yes

	<p>Covid19 test results</p> <p>Education provision for pupils is diminished</p>	<p>class will be supervised by another adult during this time.</p> <p>Staff who are unwell with Covid19 symptoms should follow the government guidance</p> <p>All teaching/support staff are trained in how to use the IT kit required to remote teach and the support of this process.</p> <p>All staff are aware that an individual risk assessment is available should they require it.</p>	<p>Consequence:4</p> <p>Risk Level: 16</p>	<p>these will be shared with the CEO and uploaded to the website</p> <p>Remote Education Provision Plan is in place and published on the school website</p>	<p>Consequence:3</p> <p>Risk Level: 9</p>		
<p>Virus entering premises</p>	<p>Staff, pupils & Contractors and their families.</p>	<p>Parents/ Carers & Staff to follow the government guidance regarding checking for Covid19 symptoms before attending work or bringing their child to school.</p> <p>Contractors asked health check questions on arrival.</p> <p>Visual checks from staff on children as they arrive and throughout the day, anyone appearing unwell will be isolated and sent home immediately.</p> <p>Staff to be self-responsible regarding their own health.</p> <p>Hand sanitizer to be used by all who enter the building</p> <p>Volunteers programs to be temporarily suspended for the Autumn term, 2020,to limit the number of people from outside visiting the school site</p>	<p>Likelihood: 4</p> <p>Consequence: 5</p> <p>Risk Level: 20</p>	<p>No unnecessary visitors will be admitted to the school</p> <p>Contractors undertaking non health and safety work should undertake this work after the school day and the area will be thoroughly cleaned after completion.</p> <p>All meetings , including parent/carer meetings will be virtual rather than face-to-face</p> <p>In the event of a parent or carer needing to collect their child due to suspected COVID-19, they must remain outside the school building and the child will be taken to them by a member of staff in full PPE.</p> <p>No parent or carer will be permitted to wait in the Reception area for any reason; they must remain outside until their child is ready for collection</p>	<p>Likelihood: 2</p> <p>Consequence:5</p> <p>Risk Level: 10</p>	<p>All staff</p>	<p>Yes</p>
<p>Airborne Transmission</p>	<p>Staff, pupils</p> <p>Spread of virus</p>	<p>It is important to ensure that the teaching environment is well ventilated and comfortable</p> <p>The mechanical ventilation system in the EYFS Block has been adjusted to</p>	<p>Likelihood: 3</p> <p>Consequence: 4</p> <p>Risk</p>	<p>All filters have been checked and renewed as required.</p> <p>The school has gained confirmation in writing from the approved contractor that air conditioning units are safe to use.</p>	<p>Likelihood: 2</p> <p>Consequence:4</p> <p>Risk</p>	<p>Site Manager, SLT, All staff</p>	<p>Yes</p>

		<p>increase the ventilation rate as far as possible, and is supplemented by an outdoor air supply.</p> <p>Natural ventilation – opening windows (in cooler weather windows should be opened just enough to provide constant background ventilation, and opened more fully during breaks to purge the air in the space).</p> <p>Opening internal doors can also assist with creating a flow of air (not fire doors).</p> <p>To balance the need for increased ventilation while maintaining a comfortable temperature, the following measures should also be used as appropriate:</p> <ul style="list-style-type: none"> • opening high level windows in preference to low level to reduce draughts • increasing the ventilation while spaces are unoccupied (e.g. between classes, during break and lunch, when a room is unused) • providing flexibility to allow additional, suitable indoor clothing. • rearranging furniture where possible to avoid direct drafts <p>Heating should be used as necessary to ensure comfort levels are maintained particularly in occupied spaces.</p> <p>All classrooms/offices to be well ventilated, windows MUST be opened at all times when the space is occupied. If there is no ventilation in the room the risk of transmission increases. The amount of increase would depend on the</p>	Level: 12		Level: 8		
--	--	---	-----------	--	----------	--	--

		size of room and the number of people in it. The number of staff in each unventilated room should be kept to a minimum and reduced where possible					
Arrival & Departure of the whole school	Staff/pupils/parents/carers Social distancing not adhered to and Covid19 infection being transmitted.	<p>SLT to maintain high expectations and to be visible to ensure the risk assessment is adhered to at all times.</p> <p>Zero tolerance of anyone breaking the guidance resulting in them being banned from school grounds.</p> <p>Year groups to arrive/ depart at designated gates at staggered set time.</p> <p>Parent/Carers to be informed that they must leave their child with the teacher and not wait with them. Parent/Carer to be reminded of the time to drop and collect their child.</p> <p>2m social distancing to be enforced for parents/carers and where possible, for pupils in year groups (markings on ground to show pupils where to stand and wait.)</p> <p>Only one Parent/Carer per family will be allowed on school site whilst dropping or collecting their child in KS1 and EYFS. Children in KS2 will be expected to enter the school site without their parent/carer.</p> <p>The parent/carer must leave the site immediately following their child going into class.</p> <p>The parent/carer must adhere to the drop and collection time given for their child.</p> <p>No parent or carer will be permitted to enter the Reception area</p>	<p>Likelihood: 3</p> <p>Consequence:4</p> <p>Risk Level: 12</p>			SLT	Yes

		<p>Pupils must be handed-over in an order which will allow social distancing of staff</p> <p>Staff have the option to wear disposable gloves to open/close door Hands to be washed after glove disposal. Hand sanitiser to be used when moving around the school</p>					
Early Years	<p>Staff/Pupils</p> <p>Staff not able to adhere to the one metre distance from children who have limited understanding of effective hygiene standards</p>	<p>Equipment is capable of being quickly disinfected. All fabrics have been removed from area.</p> <p>Disinfection of all surfaces & equipment will be undertaken during the daily cleansing regime.</p> <p>All EYFS staff have been provided with a face shield that will be worn throughout the day</p> <p>Anti-bac wipes to be available at all times for spillages.</p> <p>Hands must be washed immediately after contact with a child.</p> <p>Outdoor play to be encouraged.</p> <p>Play equipment MUST be cleaned frequently</p> <p>Sand will not be used until further notice.</p> <p>Water play equipment – chlorinated water to be used. Water to be discarded after each session.</p> <p>Any first aid or medical needs which does not allow for social distancing must be carried out with full PPE (gloves, apron, mask and face shield or goggles.)</p>	<p>Likelihood: 5</p> <p>Consequence:4</p> <p>Risk Level: 20</p> <p>Safer system of work</p>	<p>All outdoor plastic equipment must be cleaned frequently and documented when this is completed.</p> <p>Wooden equipment should be sprayed with disinfectant between use and documented when this is complete</p> <p>All new staff MUST sign to say they have read and understood the risk assessment and have received the appropriate PPE for their area of work and understand why the measures are in place.</p> <p>5 litres of hand santiser will be stored in a locked cupboard in each classroom; the door will have a flammable substance label on it. The container will be stored on the floor away from any heat source.</p> <p>Any staff who administer personal care to a pupil must don full PPE, including mask, gloves, apron and face shield. This should be donned and doffed following the PHE guidance. All PPE should be double bagged and disposed of in a lidded bin in the main first aid room the main reception office.</p>	<p>Likelihood: 3</p> <p>Consequence:4</p> <p>Risk Level: 12</p>	Head of School	Yes

		<p>If the child is displaying Covid19 symptoms an FFP2 mask must be worn alongside gloves and an apron (FFP2 mask ONLY to be worn for Covid19 symptoms)</p> <p>Reception classes have access to toilets within the classroom Continuous stock of PPE available. Staff responsible for replenishing stock daily. Enhanced cleaning regime will be in place particularly focused on high use areas such as door handles.</p> <p>Pupils MUST wash their hands on arrival to their class, before and after using the toilet, before and after eating and following any outdoor play or PE.</p> <p>All tasks and activities in which pupils, teachers and other staff will be expected to engage have been risk assessed in light of the government guidance for full school return.</p>					
KS1 & 2 Classrooms	<p>Staff/Pupils</p> <p>Expectations of the new class protocols regarding limiting the potential of Covid19 being transmitted not adhered to.</p> <p>Staff not able to adhere to the one metre distance from children who have limited understanding of</p>	<p>Classes to be set up with all pupil desks facing the front. Two children will sit at each desk facing the front. One metre walk way around the tables must be adhered to at all times Enhanced cleaning regime will be in place particularly focused on high use areas such as door handles. All furniture not in use will be removed from the classrooms. Strict rules for play/lunchtime with no interaction with other bubbles. Formal plan shared with the MDA team to ensure they have clear protocols to follow.</p>	<p>Likelihood: 3</p> <p>Consequence: 4</p> <p>Risk Level: 12</p>			Head of School	Ye

effective hygiene standards

Staff will be positioned at the front of the class and will have a face shield and **must** avoid close face to face contact and minimise the time spent within one metre of any child.

Staff **must** position themselves to the side of any desk closest to the front of the class to avoid any transmission of droplets from a sneeze, a cough or accidental spitting reaching the inside of their face shield.

Children **must** be supported to maintain distance and NOT touch staff or their peers where possible.

Two staff member per group, this may be more if the SEND is high in the class) (LSAs may be asked to supervise whilst a teacher remotes into the classroom)

Windows **MUST** be opened to maximise ventilation.

Resources can be shared within the bubble but must be frequently cleaned following the [government guidance](#).

Each desk will have the child's personal resources on it and a drawer placed under their chair

Books must only be used in the bubble and **MUST** be quarantined on return for 48 hours before being used.

Where possible staff **MUST** complete marking and feedback with the whole class rather than collecting books in.

When responding to writing, the children should leave their book open on the table and the teacher will wear gloves to respond using the school marking code.

Hand sanitiser must be used on completion of this task.

Ipads will be used by a bubble, cleaned with an antibac wipe before being used

		<p>by the next bubble on the next day.</p> <p>Pupils must be escorted to the toilet and supervised washing their hands. Pupils are NOT permitted to move around the school without adult supervision.</p> <p>All tasks and activities in which pupils, teachers and other staff will be expected to engage have been risk assessed following the government guidance for full school return.</p> <p>Any staff who administer personal care to a pupil must don full PPE, including mask, gloves and apron. This should be donned and doffed following the PHE guidance. All PPE should be double bagged and disposed of in a lidded bin in the main first aid room near the main reception office.</p> <p>5 litres of hand sanitiser is stored in a locked cupboard in each classroom, the door has a flammable substance label on it. The container will be stored on the floor away from any heat source.</p>					
Transmission between groups	Everyone Transmission of Covid19	<p>Classes will remain in designated room at all times unless it is their allocated break-time or for toilet use. Teachers will remain with their class where possible, with PPA cover being allocated to specific year groups to ensure that they remain with a bubble</p> <p>Lunches to be eaten in the classroom to avoid contact with other classes.</p> <p>Classroom tables to be thoroughly cleaned after any lunches have been eaten.</p>	<p>Likelihood: 3</p> <p>Consequence: 4</p> <p>Risk Level: 12</p>	<p>The main large hall will remain locked until further notice. It will only be used for lettings during the Autumn term 2020. This will be reviewed in December 2020.</p> <p>Where possible, PE MUST continue to be taken outside at all times for the Autumn term 2020. See PE Risk assessment update 2.11.2020 Parents and carers should be</p>	<p>Likelihood: 2</p> <p>Consequence: 4</p> <p>Risk Level: 8</p>	SLT all staff	Yes

		<p>Playground to be sectioned for each year group or bubble Staff to wipe down any surface or equipment they use in the staffroom with an anti-bac wipe. Anti-bac wipes to be restocked daily in the staff room</p> <p>Staff MUST maintain the minimum of 2m social distancing from other adults in school. Markings along corridors to show 2m distancing</p> <p>All IT kit to be thoroughly cleaned prior to the transfer to another bubble. Guidance for cleaning</p> <p>Posters advertising expectations to restrict the transmission of Covid19 as much as practically possible Daily reminders to all children and regular email reminders to staff about expectations of maintaining good hygiene and social distancing.</p> <p>Staggered break and lunch times is in place. Staffroom will be restricted in number allowed.</p> <p>Staff meetings to continue to be held via TEAMS, recorded and the minutes to be taken and shared where appropriate</p>		<p>informed that their child will need suitable, safe clothing for outdoor PE. If the weather dictates that the lesson needs to move indoors it must be a lower impact activity and must be risk assessed prior to taking place; this must be agreed by a member of SLT.</p> <p>There must be an hour between PE groups and the area will need to be well ventilated and cleaned between groups See PE Risk assessment update 2.11.2020</p> <p>The staff room will be limited to ten people at a time and break and lunch times staggered to enable this. Additional staff room areas have been established for each bubble and these are signposted across the school.</p>			
Play/Sport/ Exercise	Staff/Pupils Transmission of Covid19 through lack of social	Year groups will be rostered so access to outside areas is restricted to one bubble at a time using a given area. As per government guidance , any equipment used must be capable of	Likelihood: 2 Consequence:4			SLT/all teachers	Yes

	distancing	<p>being easily sterilised (e.g. plastic). Sterilisation must take place after each session. Equipment must be cleaned or rotated and left unused for 48 hours or 72 hours for plastics if used by different bubbles.</p> <p>A face shield MUST be worn by staff during PE lessons due to the risk of droplets being transmitted due to shouting or due to breathlessness.</p> <p>See PE Risk assessment update 2.11.2020</p> <p>All staff MUST sign to say they have read and understood the risk assessment and have received the appropriate PPE for their area of work and understand why the measures are in place.</p>	Risk Level: 8				
Emergency evacuation	<p>Staff/Pupils/contractors</p> <p>Transmission of Covid19 through lack of social distancing</p>	<p>Where practicable maintain social distancing on evacuation routes. If impracticable, priority is evacuation.</p> <p>Evacuation assembly points have 2m distance between bubbles</p> <p>PEEPS are reviewed and amended accordingly, and located in pupil's classroom on teacher's clipboard</p> <p>Fire drills to be walked through with staff and pupils half-termly</p>	<p>Likelihood: 3</p> <p>Consequence: 4</p> <p>Risk Level: 12</p>			Head of School	Yes
First Aid & administration of medicines	Staff/Pupils	Pupils to be directed to undertake own first aid where applicable (e.g. washing grazes, application of self-adhesive dressings).	<p>Likelihood: 4</p> <p>Consequence:</p>	All newly qualified First Aiders MUST read and sign to say they have read and understood the addendum to the First Aid policy.	<p>Likelihood: 3</p> <p>Consequence:</p>		

		<p>If the person is displaying Covid19 symptoms, the first aider MUST wear an FFP2 face mask, an apron, and gloves. They SHOULD remain at least 2 metre distance and the room SHOULD be well ventilated.</p> <p>Temperature checks with non-contact thermometer will be carried out.</p> <p>If first aider needs to get closer to injured party to assess or treat they are to wear disposable aprons, gloves and disposable mask. They MUST follow donning and doffing guidance.</p> <p>All current First Aiders have read and sign to say they have read and understood the addendum to the First Aid policy.</p> <p>Any staff who administer personal care to a pupil must don full PPE, including mask, gloves, apron and face shield. This should be donned and doffed following the PHE guidance. All PPE should be double bagged and disposed of in a lidded bin in the main first aid room the main reception office.</p>	<p>ence:4</p> <p>Risk Level: 16</p> <p>Safer system of work</p>	<p>On collection, parents or carers must wait outside the school building and the child will be taken out to them by a member of staff in full PPE.</p>	<p>nce:4</p> <p>Risk Level: 12</p>		
Pupils Behaviour	<p>Anyone in building</p> <p>Social distance not adhered to by pupils toward staff</p>	<p>Review risk assessments that were carried out during lockdown relating to individual behaviour to ensure relevant arrangements or alternative approaches are agreed.</p> <p>Behaviour Policy addendum will be updated to evidence the expectations and consequences of behaviour considering high risk to other pupils and staff</p> <p>Any pupils with known patterns of misbehaviour which involve not following instructions should have an individual risk assessment carried out which is shared and discussed with them and</p>	<p>Likelihood: 2</p> <p>Consequence:4</p> <p>Risk Level: 8</p>			Head of Provision/ DHT	Yes

		their parent/carer to ensure full understanding of the new protocols for safe behaviours in school.					
Internal movement around the school	Staff/pupils/Contractors Potential transmission of Covid19	<p>Access & Egress through common areas to be kept to minimum. External routes to be used whenever practicable. Where two-way cannot be avoided or segregated, then measure must be implemented to control the flow.</p> <p>Class Group members to walk at 2m distancing.</p> <p>Parent/carer consultations will be held remotely via telephone or TEAMS.</p> <p>Bubbles only to move around the school under supervision of their teacher or LSA</p> <p>No messages to be taken around the school by pupils</p> <p>All messages from the office will be via email or telephone; staff are responsible for checking their emails daily.</p> <p>Markings at 2m intervals in corridors & key areas (e.g. toilets, assembly points, stairwells, fire & meet & greet).</p> <p>No assemblies or gatherings of more than one bubble at any time</p> <p>The office will only take enquires via email or telephone; the exception to this will be parent/carers picking up a child due to illness.</p>	<p>Likelihood: 4</p> <p>Consequence: 4</p> <p>Risk Level: 16</p>	<p>All events such as Christmas Nativity will not be held during the autumn term 2020</p> <p>Two way routes will be single direction only at any one time. Classes will be allocated a time to move around the school, avoiding other bubbles.</p> <p>Parent/Carer consultations will be held remotely via telephone</p> <p>No afterschool clubs will be held during the autumn term 2020.</p> <p>Taxi children to be dropped at the coach turning point to the front school, they will be expected to hand sanitize on exiting the transport and wash their hands on entry to school.</p> <p>Taxi will be expected to remain at the school until all of the bubbles have been collected.</p> <p>Trust Finance staff will use the Trust office on a Monday & Tuesday. They will be signed in at reception and then walk around to their office, they MUST wear either a face mask or face shield. They will bring their own refreshments so will not use the staff room, they will use the toilet allocated to the Reception Staff bubble. The Trust Finance staff are responsible for wiping down all surfaces in the office and also after using the Reception bubble toilet after use.</p>	<p>Likelihood: 2</p> <p>Consequence: 4</p> <p>Risk Level: 8</p>	Head of School, SLT	Yes

Drinking water	Pupils Potential transmission of Covid-19	Water fountains to be closed Pupils to fill own water bottles from classroom supply Anti-bac wipes to be available at sink area Water jugs to be supplied for classes where drinking water is unavailable Sit Manager will ensure that correct signage is present at all water sources	Likelihood: 1 Consequence:4 Risk Level: 4			Site Manager	Yes
Toilets	Staff/pupils/Contractors Potential transmission of Covid19	Where practicable bubbles to be allocated a set of toilets for their sole use. Liquid anti-bacterial soap and automatic hand dryers Everyone to wash hands upon return to classroom. Children will be escorted to the toilet when external to the classroom. Increased cleaning throughout the day Toilets will be allocated as per this guidance for classes without class based toilets: 1RD/1SS/1CH sharing year one toilets 2VG/2RS/2EM sharing year two toilets 3RM/3MB/3JP sharing year three toilets 4CP/4NB sharing year four toilets 4 TH/4BG sharing year four toilets 5NM/5MR sharing year five toilets 6LC/6VP/6JM sharing year six toilets Staff toilets allocated, where possible, to phases or bubbles. Reception staff –Disabled toilet near AHT office	Likelihood: 2 Consequence:4 Risk Level: 8			All Staff	Yes

		<p>KS1 staff – toilets in staff room Y3 – Disabled toilet in main corridor Y4 – Left main corridor toilet Y5 – Right main corridor toilet Y6 – KS2 disabled toilet Office and Leadership in front corridor – New toilet in front corridor Annexe – identified toilet in Annexe Contractors – Reception Disabled toilet</p> <p>All staff/contractors to antibac door handle, toilet handle and tap following use</p> <p>Cleaning notices displayed in each toilet</p>

Date communicated to staff: 01/11/2020

Is a safe system of work required **Yes** / No

If a new activity/equipment/any changes have been identified then Risk Assessment must be reviewed otherwise it should be reviewed annually.

Risk Matrix

The matrix below is designed to help you in identifying a risk level for a given task or activity. Using your experience, the available evidence and existing precautions/ control measures in place you will have already determined the consequence of harm, and the likelihood of the harm being realised. The level of risk for the respective task or activity can now be determined using the following matrix.

		LIKELIHOOD					
		1	2	3	4	5	
CONSEQUENCE	Catastrophic	5	10	15	20	25	17-25 Unacceptable Stop activity and make immediate improvements
	Major	4	8	12	16	20	10-16 Tolerable Look to improve within specified timescale
	Moderate	3	6	9	12	15	5-9 Adequate Look to improve at next review
	Minor	2	4	6	8	10	1-4 Acceptable No further action, but ensure controls are maintained
	Insignificant	1	2	3	4	5
